

## **Alpine Atlantic enters into partnership with Altevo Research**

Alpine Atlantic Global Asset Management AG and Altevo Research have agreed on a partnership. Alpine Atlantic and Altevo will work together on various projects, mainly in the area of investment management, due diligence and marketing.

The cooperation with Altevo will enable Alpine to offer its clients with an independent and customized investment due diligence service and to meet the growing demand from investors in this area.

Also the two companies will work together on cross-marketing their services in various regions. Altevo has a strong network in Scandinavia, a market that Alpine Atlantic wants to develop further in coming years.

At the same time Alpine Atlantic will help Altevo market their services in markets where Alpine Atlantic has traditionally been strong.

### **About Altevo Research**

Altevo Research offers independent alternative investment advisory in form of single manager hedge fund and fund of funds screenings, quantitative due diligence, investment due diligence, asset allocation services and alternative investment research. Altevo Research was founded in 2005 by Mikael Haglund, a CAIA charterholder.
